

Greetings in Christ to all BibleTalk supporters. We've chosen to go to a three times per year newsletter to stay in touch with everyone while not cluttering up your mailboxes with repetitive news and data. In the beginning of 2022, we have already had encouraging emails reporting some of the results of our work. For example, here are some of the baptisms reported by those who were taught with our materials this year so far:

- AGAPE Church of Christ - Ponca City, OK - 1 Baptism (No Preacher)
- Watonga Church of Christ - Watonga, OK - 1 Baptism (Ladies Class)
- Tammany Oaks Church of Christ - Mandeville, LA - 1 Baptism (Referred by BT)
- Romania - 1 Baptism (No church information sent, except to know a young woman was immersed through study of BT courses)
- Marietta Church of Christ - Marietta, GA - 1 Baptism (BT viewer baptized)
- Virginia - 1 Baptism (Viewer baptized by local church)
- Michigan - 1 Baptism (BT located local congregation for viewer)
- Michigan - 1 Baptism (Viewer on hospice care baptized on the day she died)

There are also reports of how our material is being used by others. For example:

- Edmonton Church of Christ - London, UK (They broadcast BT on their radio station - Rock Gospel Radio)
- Dixon Church of Christ - Dixon, MO (Use BT in small group study for men)
- Northwest Church of Christ - Lawton, OK (Elders' report use of BT marriage series)
- Northern Michigan (Home study)
- Ontario, Canada (House church uses preaching series since they have no preacher)

Of course, this is not all the mail we receive. I simply wanted to give you a sample of the type of mail we have received in just the first four months of this year. In addition to these, there are the emails with Bible questions. I was receiving so many of these that I enlisted the help of Choctaw's Pulpit Minister, Marty Kessler, to help clear the back log.

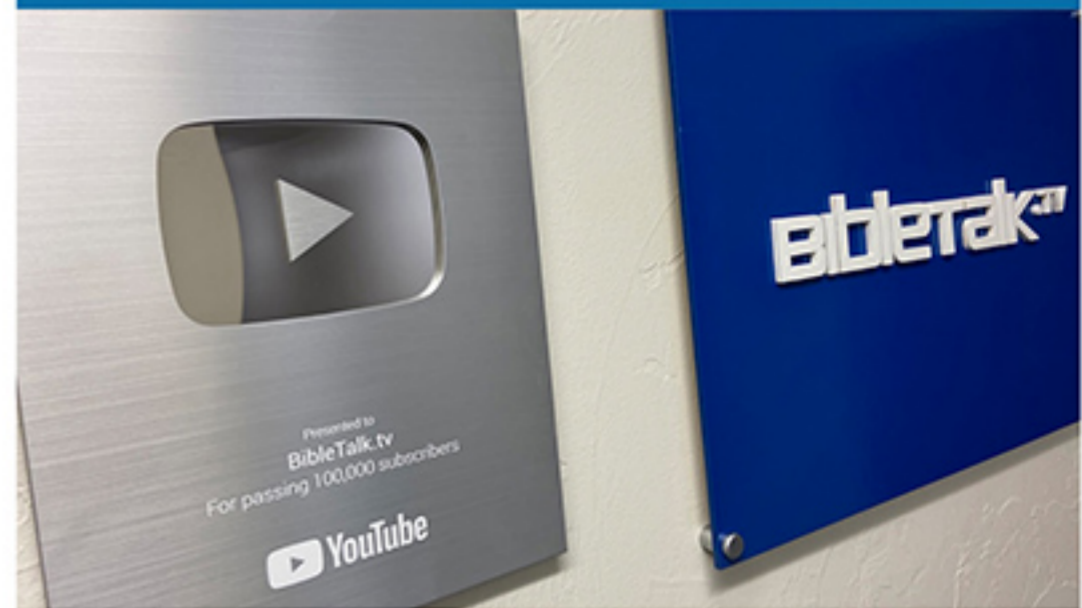

Our viewers are growing in numbers, as you can see by the statistics below, and we feel the evidence of this by the growing number of those people who report back to us the various ways and success they are having with the use of BibleTalk.tv materials.
