God bless you for remembering our ministry in 2022 and, hopefully, continuing your prayers and giving on our behalf in the new year.

BIBLETALK.TV HITS THE ROAD

During this report period we attended annual Mission Sundays at local sponsoring congregations, Del City Church of Christ and Eastside Church of Christ. We headed south to Texas for the Brown Street Church of Christ EQUIP Workshop and for the first time sponsored a booth at ICOM in Columbus, Ohio. We met lots of great people working hard to spread the Gospel and share the love of Christ with the world.

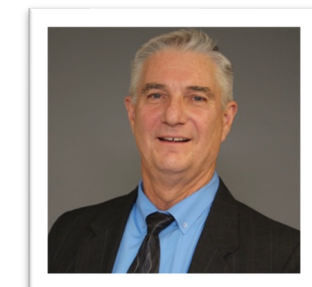

EDOVO – REACHING THE INCARCERATED

Edovo is a digital platform which provides educational and vocational programs for incarcerated individuals. We learned of it through one of the contacts made at ICOM. BibleTalk.tv content has now been approved to be included on their platform. One of our new projects includes creating quizzes and tests to coincide with each of our study plans to create courses that incarcerated individuals can complete. (Tests and quizzes will also be available through our website for anyone who wishes to use them).

CURTIS HARTSHORN – CHURCH RELATIONS REPRESENTATIVE

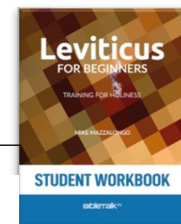

We are happy to announce that Curtis Hartshorn has stepped in as our new Church Relations Representative. As Mike continues to focus his efforts on creating new content for BibleTalk.tv, Curtis has taken on the task of traveling to churches in order to make presentations and create new partnerships on behalf of BibleTalk.tv. Brother Hartshorn is the pulpit minister for the Checotah Church of Christ, has published several books and has some of his own series on BibleTalk.tv (The Plain Gospel, Reaching New Levels of Faith).

THE QUARTERLY

One of Mike's articles, Sanctified Leadership, was featured in the latest volume of The Quarterly, a magazine for the Churches of Christ. BibleTalk.tv was given a full-page advertisement free of charge.

BAPTISMS

Although we can never know every way in which the BibleTalk.tv ministry impacts lives around the world, based on the emails we received this year we were happy to learn of at least 23 souls added to the body of Christ.
